Terms & Conditions

1. Discount Power, Inc. is offering a commercial energy audit discount certificate to companies that enroll with us and have not had an audit within the last 18 months. Certificates are redeemable exclusively with Globelé Energy and are non-transferrable.
2. Customer will receive the Globelé Energy certificate with their enrollment verification email from Discount Power.
3. Customer is responsible to print certificate and provide it to the Globelé Energy representative at the beginning of the audit. Additional costs for the audit will be outlined to customer prior to the audit.
4. Customer is responsible for contacting Globelé Energy, via telephone or Internet, within 30 days of enrolling with Discount Power to schedule the commercial audit.
5. A 2-hour commercial audit will be scheduled by Globelé Energy within 90 days, unless the customer elects a later date.
6. Globelé Energy will reschedule missed appointments at their discretion.
7. To maximize the benefit and to receive the discount, the Company's energy manager must be present and must present the certificate to Globelé Energy.
8. Following the commercial audit, Globelé Energy will make certain suggestions and recommendations for improving your Company's energy efficiency. The customer is under no obligation to perform any of the remedial work recommended.
